LETTER SUBMITTING PARIS CONVENTION PRIORITY DOCUMENT

Hon. Commissioner for Patents
Post Office Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant and undersigned counsel express their sincere appreciation to Primary Examiner Fred G. Prince for his thorough and careful study of the file for the above-identified patent application. Mr. Prince's review showed that the Convention priority document needed to support applicant's claim to the benefit of the September 16, 2003 filing date for Republic of Korea Patent Application No. 2003-0064186 was not in the Patent and Trademark Office file. Accordingly, enclosed herewith is a certified copy of the parent Republic of Korea Application No. 2003-0064186 for addition to the United States application file.

In passing, attention is invited to the fact that the claim for Convention Priority for the instant United States application that derived from the Republic of Korea '186 application was lodged at the time the United States application was filed.

In summary, the Examiner is urged to add the enclosed Korean '186 application to the file for this '001 United States application.

Examiner Prince, moreover, also is asked to telephone applicant's counsel at the number noted below if it will advance the prosecution of this case.

Respectfully submitted,

John P. Sinnott
